The Department's mission is to encourage, provide, and promote recreational opportunities and facilities for our citizens. The Complex has a total land area of 166 acres. There are five full time employees consisting of the director, administrative assistant and grounds supervisor. There are numerous seasonal part-time employees for the swimming pool and grounds maintenance operations.

There is a three-member advisory board that meets monthly to determine recommendations for approval by the City Council.

The complex currently receives ¾ of a 1% sales tax as its primary funding. Small fees for equipment usage, various classes and the swimming pool are also charged as listed below.
